

ACJ TwoTwenty

9H-818TG

Reimagine your place in the sky

The ACJ TwoTwenty is a dare-to-be-different jet. It's spacious cabin for up to 18 passengers boasts all the conveniences of modern corporate atmosphere, but in the sky. The forward cabin offers an executive area with a Club 4 seating, two separate Club 2 seating and a lounge area with an L shape divan. The Aft compartment is a private lounge with 2 facing divans, one of these divans is also convertible into a double bed. Additionally, the Master suite embraces a serene setting with an Ultra Large King-sized bed followed by an ensuite bathroom fitted with full standing rain shower for the ultimate experience in luxurious travel. Each room incorporates a 43" screen and allows non stop streaming access and ultra high-speed connectivity to all passengers. Installed throughout the cabin, smart technology touchscreens provide all the comfort and conveniences right at your fingertips.
